## Experience the Joy

Seeing a baby for the first time is sure to touch your heart. Using the latest in fetal imaging, Prenatal

Peek™ allows parents to view a baby during a relaxed, personalized, and unique ultrasound session. Prenatal Peek™ will record this magical-moment so that you may preserve for a lifetime!

Visit our website at  
[www.prenatalpeek.com](http://www.prenatalpeek.com)  
to see more of these amazing  
3D ultrasound photos and  
4D ultrasound videos!

## Prenatal Peek™

### Ultrasound Services Include:

- 10-30 minute 4D ultrasound session
- Video of your 4D ultrasound on VHS
- Printed color 3D pictures
- 2D and 3D Photos of your baby
- Images of your baby on CD
- Keepsake photo folder
- Gender determination - if requested

Guests of the expectant parents are welcome.

Best results are obtained between 18-34 weeks into your pregnancy.

---

Prenatal Peek™ is a leader in 4D ultrasound imaging providing superior ultrasound imaging methods, high quality customer care, and committed to excellence.

Prenatal Peek™ only uses certified Sonographers to perform the ultrasound session.

Call and make an appointment today! Our weekend schedule fills up quickly; call at least a week before to schedule a weekend appointment!

---

We are an optional service and DO NOT replace your medical or diagnosed ultrasound exam. Clients who use Prenatal Peek™ services must be under the care of a physician.

Prenatal Peek™ facilitates parental bonding and sentimental purposes.
