	<p>Rick, owner of Natural Progression Massage Therapy, has his degree in Therapeutic Massage Therapy from Phoenix Therapeutic Massage College (2002) and has professional certifications in Deep Tissue Massage, Myotherapy (Trigger Point), and in Pregnancy Massage. He retired in July 2005, after 28 years as a Sr. Process Engineer, to pursue his passion in Massage Therapy full time. He has over 3000 hours of practical experience and is active in continuing education. For expectant moms, an appropriate massage therapy is developed with advice from doctors. The focus is on relieving the discomforts associated with pregnancy. This care begins with prenatal and continues throughout postpartum and nursing stages.
